

## ***Dairy herd management seminar and tour in Israel for USA farmers, January 5–11, 2020***

### **Learn about the Israeli dairy industry**

The Israeli dairy industry is the most productive in the world and at Dairy School you will see how this is accomplished. Through seminars with our expert consultants, farm visits, and hands-on experiences, you will learn how the Israeli dairy industry use modern dairy farming systems to reach production rates of 3,800 gallons of milk per cow in 305 days.

During the seminar you will learn how the achievements of the Israel's dairy sector have been made possible and how Israel continues to increase production efficiency.

While staying in Israel, you will also have the opportunity to experience the rich Israeli culture and ancient cities.

**You will fly home with a certificate of completion and the experience of a lifetime**

**We are pleased to welcome you to the Israeli Dairy School**
